WORKING EXPERIENCE

UX Designer, IBM

Dec 2016 - Present

Facilitate design thinking workshops to identify user needs and market opportunities. Responsible for the design of product user experience and deliver information architectures, interaction model, wireframes and prototypes as design outputs. Collaborate with multidisciplinary teams to define and implement solutions for multi-screen experiences across desktop, tablet and mobile applications.

UX Designer, Simpli Innovations

Nov 2015 - May 2016

Conducted user research and delivered wireframes, user stories, user journeys, high fidelity mockups and prototypes across tablet, mobile and web interfaces.

UX Designer, TL Production Company

April 2015 - Sept 2015

Designed, launched, and curated TL Production's website. Duties include information architecture, visual and UX design, responsive compatibility, search engine optimization and site's front end development using Wordpress as CMS.

Event Organizer, Last One Stands Production

April 2010 - April 2015

Co-Founder of Canada's largest street dance festival, responsible for various roles including project manager, art director, team coordinator, web designer and social media manager.
